1. On 23 October 1955, the infantry section of the Flak Kaserne (5641) in Wismar was not occupied to capacity. Only 75 percent of the windows were lighted at dusk. The artillery section, however, was heavily occupied, with 95 percent of the windows lighted at dusk.¹
2. Between 13 and 18 October, the Artillerie Kaserne (5341) in Perleberg appeared to be occupied. On 9 and 10 October, units with tanks and guns reportedly returned to the installation.²
3. Between 7 and 8 October, the units from the Fliegerhorst Kaserne (5342) in Perleberg returned by rail from the summer camp to their quarters, which were continually occupied to capacity prior to 29 October. The following officers were observed:
General Kozikov (fnu), commanding officer of the division; Colonel Rukavichnikov (fnu), chief of staff; Major Grukovtsev (fnu) deputy chief of staff; and Colonel Angilov (fnu) commanding officer of a unit. Between 24 and 26 October, the unit of supply officer Captain Boyev (fnu) was transferred by road from the Fliegerhorst Kaserne to Grabow, approximately 6 km southeast of Ludwigslust. The previous quarters of this unit were occupied by elements of Unit Baroshenko from the Artillerie Kaserne in Perleberg on 26/27 October.²
4. Between 15 and 17 October, the Reiter Kaserne (5261) and the quarters at the Tschentin airfield (5262) in Ludwigslust were occupied to capacity.²

Comment:

25X1

The division can [] be assumed to be stationed at the post.
The officers mentioned are known and are confirmed in their positions with
the 18th Aer Div until 26 October. Colonel Ampilov is presumably
commanding officer of the 592d Mort Regt. The unit of supply officer
Captain Boyev cannot be identified; the transfer of this unit cannot be
explained.
